ROCKY FLATS PLANT

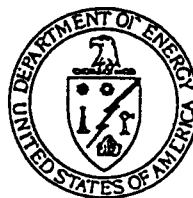

QUARTERLY PUBLIC INFORMATION WORKSHOP ON ENVIRONMENTAL RESTORATION

The U.S. Department of Energy, the U.S. Environmental Protection Agency and the Colorado Department of Health will hold a public information workshop to discuss the status of environmental restoration at the Rocky Flats Plant. Representatives of the Rocky Flats Plant will provide brief presentations on remediation efforts under way at Operable Unit No. 1 (881 Hillside) and Operable Unit No. 2 (903 Pad, Mound and East Trenches Areas). Following the two presentations, members of the public will have an opportunity for one-on-one discussions of the plant's environmental restoration efforts with representatives of the three agencies and several interest groups.

The public information workshop will be held Monday, May 6, 1991, from 7:00 p.m. to 10:00 p.m. at the Westminster City Park Recreation Center, 10455 Sheridan Boulevard, Westminster. For more information about the workshop, contact Beth Branard, Public Affairs Officer, U.S. Department of Energy, Rocky Flats Office, P.O. Box 928, Golden, Colorado 80402-0928, (303) 966-5993.
